Sir

The Council of the Fumden Society having recently determined to close the annual accounts on the 25th March, instead of the end of April, in each year, it becomes peculiarly necessary that Members should pay up their Subscriptions, and arrears, with as little delay as possible. This circumstance must be my excuse for now respectfully urging you, at your early convenience, to forward to Mess^{rs} Nichols & Son here the amount due from you, as indicated at foot, either by Post office Order, or by filling up the annexed form, addressed to your London Bankers. I remain, Sir,

Your very faithful & obed.^t Servant
J. P. Collier (Treasurer)
